To: All NEFDA Members
From: NEFDA Scholarship Committee
Subject: Professional Advancement Courses

In addition to its regular scholarship program, the NEFDA has set aside funds to financially assist employees of member companies for professional advancement in the fastener industry.

To qualify, an employee must be employed for a minimum of 2 years with a member company, not including officers or general managers, and the course material must be directly related to the employee's current position at the member company. Maximum assistance from the NEFDA is limited to \$200.00 annually, with a lifetime limit of \$600.

A special application form is attached and can be copied if additional forms are needed.
